INDEX

Volume II, June-December, 1920

(E) indicates an editorial
(N) indicates a signed news item or communication
(R) indicates a book review

Alexander, Carter and Theisen, W. W., Publicity Campaigns for Better School Support, 457; School Statistics and Publicity (R) (A. G. Capps).

Anderson, H. W. and others, Survey of Public School Building Requirements in Cleveland Heights, Ohio (R) (N. L. Engelhardt), 857

Arithmetic, Results of Three Types of Drill on the Fundamentals of, F. J. Kelly, 693

Averages (E), B. R. Buckingham, 766

Ayres' Formula (E), B. R. Buckingham, 505

Ayres, Leonard P., Correlation Ratio, 452; Leaves the Russell Sage Foundation to Enter the Cleveland Trust Company, 870; Substituting Small Numbers for Large Ones in the Computation of Coefficients of Correlation, 502

Bad Situation Made Intolerable (E), B. R. Buckingham, 582

Baker, H. J., A Short Method of Determining Probable Error (N), 592

Barthelmess, Harriet M., Geography Testing in Boston, 701

Batteries of Tests for School Surveys, 514

Betelle, James, A Checking Schedule for Projected School Buildings (R) (N. L. Engelhardt), 858

Bexell, T. A., First Lessons in Business (R) (Ira S. Griffith), 674

Branom, Mendel E., Project Method in Education (R) (James H. Green), 769

Briggs, Thomas H., Comparative Results in Intermediate and Elementary Schools at Los Angeles, 681; The Junior High School (R) (Charles E. Chadsey), 673

Bright Boy (N), R. L. Morton, 865

Brightness and Dullness in Children. Herbert Woodrow (R), 589

Brooks, Samuel S., Getting Teachers to Feel the Need for Standardized Tests, 425; Using Standardized Tests in Rural Schools for Grading Purposes, 729

Brown, H. A., Formulation of Method in Reading, 436; Study of Ability in Latin in Secondary Schools (R) (B. R. Buckingham), 508

Brueckner, L. J. and others, Survey of Public School Building Requirements in Cleveland Heights, Ohio (R) (N. L. Engelhardt), 857

Buckingham, B. R., Averages (E), 766; Ayres' Formula (E), 505; Bad Situation Made Intolerable (E), 582; Brightness and Dullness in Children (Herbert Woodrow) (R), 589; College Teaching (Paul Klapper) (R), 587; Concerning Educational Policy (E), 668; Next Step after Testing (E), 855; Journal of Educational Research: Crumbs of Comfort (E), 763; Our Contributors (E), 854; Research in Textbook Publishing (E), 670; Suggestions for Procedure following a Testing Program: *I. Reclassification*, 787

Buckingham, B. R. and Monroe, Walter S., A Testing Program for Elementary Schools, 521

378558

Building Requirements, Survey of in Cleveland Heights, Ohio, P. C. Packer and others (R), 857
Bureau of Educational Research, Aberdeen, South Dakota, 595

Cameron, Edward H., Health through Will Power (James J. Walsh) (R), 511; Mental Hygiene of Childhood (William A. White) (R), 510
Camp, F. S., Wanted: A History Scale Maker (N), 517
Campaign Method in Elementary Education, J. W. Richardson, 481
Capps, A. G., Curriculum Content of a High School Spelling Course, 626; School Statistics and Publicity (Carter Alexander) (R), 859
Chadsey, Charles E., Junior High School (Thomas H. Briggs) (R), 673; School Administration and School Reports (Paul H. Hanus) (R), 674
Chapman, J. Crosby, A Group Intelligence Examination without Prepared Blanks, 777
Chapman, J. Crosby and H. L. Eby, A Comparative Study, by Educational Measurements, of One-Room Rural School Children and City-School Children, 636
Checking Schedule for Projected School Buildings, James Betelle (R), 858
Childhood, Mental Hygiene of, William A. White (R), 510
Class Efficiency, Size of Class and, 772
Classification of School Children according to Mental Age, Rudolf Pintner and Helen Noble, 713
College Teaching, Paul Klapper (R), 587
Colorado, Common School Finance in and Certain Inferences of National Import, F. H. Swift, 647, 741
Common School Finance in Colorado and Certain Inferences of National Import, F. H. Swift, 647, 741
Comparative Results in Intermediate and Elementary Schools at Los Angeles, T. H. Briggs, 681
Comparative Study by Educational Measurements of One-Room Rural-School Children and City-School Children, J. Crosby Chapman and H. L. Eby, 636
Comparison of Diagnostic Arithmetic Tests, 676
Concerning Educational Policy (E), B. R. Buckingham, 668
Correlation: Ayres' Formula (E), B. R. Buckingham, 505; Coefficient of, Effect of Grade Distribution upon (N), W. S. Monroe, 776; Substituting Small Numbers for Large Ones in the Computation of Coefficients of Correlation, L. P. Ayres, 502; Ratio, L. P. Ayres, 452
Courtis Supervisory Test in Geography, Scores of a Group of Rural Teachers on (N), Fred D. Cram, 515
Cram, Fred D., Scores of a Group of Rural Teachers on Courtis Standard Supervisory Test in Geography (N), 515
Credit, Weighted, W. H. Hughes, 547
Curriculum Content of a High School Spelling Course, A. G. Capps, 626

Daley, H. C., Intelligence of Intermediate and High-School Pupils (N), 676
Dawson, Charles D., Educational Measurement in Grand Rapids, 611
Dearborn Group Tests of Intelligence, 675
Dickson, Virgil E., Use of Group Mental Tests in the Guidance of Eighth-Grade and High-School Pupils, 601; What First-Grade

Children Can Do in School as Related to What is Shown by Mental Tests, 475
Directors of Supervised Student Teaching, 513

Eby, H. L. and Chapman, J. Crosby, A Comparative Study, by Educational Measurements, of One-Room Rural-School Children and City-School Children, 636
Educational Guidance, Use of Group Mental Tests in the Guidance of Eighth-Grade and High-School Pupils, V. E. Dickson, 601
Educational Measurements: Cyrus D. Mead 557; in the Field of History, Chas. L. Harlan, 849; in Grand Rapids, Charles D. Dawson, 611; in a Small School System, Frank H. Koos, 493; University, College and Normal School Courses in (N), C. W. Odell, 772
Educational Measurements. *See also* Tests.
Educational Research in Cities of over Ten Thousand, 596
Effect of Grade Distribution upon Coefficient of Correlation (N), W. S. Monroe, 776
Elementary Schools: Campaign Method in, J. W. Richardson, 481; Comparative Results in Intermediate and Elementary Schools, Thomas H. Briggs, 681; Testing Program for, B. R. Buckingham and Walter S. Monroe, 521
Elson, J. C. and Trilling, Blanche M., Social Games and Group Dances (R) (Louise Freer), 860
Employment Psychology, Henry C. Link (R), 769
Engelhardt, N. L., A Checking Schedule for Projected School Buildings (J. O. Betelle) (R), 858; Survey of Public School Building Requirements in Cleveland Heights, Ohio (P. C. Packer and others) (R), 857

Finance, School, in Colorado and Certain Inferences of National Import, F. H. Swift, 647, 741
First-Grade Children, What They Can Do in School as Related to What is Shown by Mental Tests, V. E. Dickson, 475
First Lessons in Business, T. A. Bexell, 674
Formulation of Method in Reading, H. A. Brown, 436
Freer, Louise, Social Games and Group Dances (Blanche M. Trilling and J. C. Elson) (R), 860

Geography Testing in Boston, Harriet M. Barthelmess, 701
Getting Teachers to Feel the Need for Standardized Tests, S. S. Brooks, 425
Gosling, Thomas W., Split-Unit Program in High Schools, 736
Grade, Distributions, Effect of upon Coefficient of Correlation (N), W. S. Monroe, 776; Norms for the New York City Penmanship Scale, Eugene A. Nifenecker, 808
Graves, Frank P., The Maria Hosmer Penniman Memorial Library of Education (R), 674
Green, James H., Project Method in Education (Mendel E. Branom) (R), 769
Griffith, Ira S., Employment Psychology (Henry C. Link) (R), 769; First Lessons in Business (T. A. Bexell) (R), 674
Grouping by Standardized Tests for Instructional Purposes, Sarah P. Ketner, 620
Group Intelligence Examination without Prepared Blanks, J. Crosby Chapman, 777

Handwriting Scale, Grade Norms for the New York City, E. A. Nifenecker, 808

Hanus, Paul H., School Administration and School Reports (R) (Charles E. Chadsey), 674
Harlan, Chas. L., Educational Measurement in the Field of History, 849
Health through Will Power (R), James J. Walsh, 511
Henmon, V. A. C., Sixth Conference on Educational Measurements (R) 509
History, Educational Measurement in, Chas. L. Harlan, 849; Scale Maker Wanted (N), F. S. Camp, 517
Horn, Ernest, Selection of Silent Reading Textbooks, 615
Hughes, W. H., Standardizing Procedure in Combination System of Supervised Study, Varying Scope of Work, and Weighted Credit, 547

Idaho Bureau at Lewiston, 513
Illinois Examination, B. R. Buckingham and Walter S. Monroe, 521
Improvement in Schools throughout the School Year (N), Katherine Murdock, 863
Individual Differences in Reading, Provisions for, W. W. Theisen, 560
Intelligence Examination without Prepared Blanks, J. Crosby Chapman, 777
Intelligence of Intermediate and High-School Pupils (N), H. C. Daley, 676
Intelligence Tests. *See* Tests

Journal of Educational Research: Crumbs of Comfort, B. R. Buckingham (E), 763; Educational Policy of (E), B. R. Buckingham, 668; Our Contributors (E), B. R. Buckingham, 854
Junior High School, Thomas H. Briggs (R), 673; Comparative Results in Intermediate and Elementary Schools at Los Angeles, Thomas H. Briggs, 681

Kelly, F. J., Results of Three Types of Drill on the Fundamentals of Arithmetic, 693
Kent, Raymond A., What Should Teacher-Rating Schemes Seek to Measure, 802
Ketner, Sarah P., Grouping by Standardized Tests for Instructional Purposes, 620
Klapper, Paul, College Teaching (R) (B. R. Buckingham), 587
Koos, Frank H., Educational Measurements in a Small School System, 493

Link, Henry C., Employment Psychology (R), (Ira S. Griffith), 769
Loomis, A. K., Some Correlations with the Otis Scale (N), 594

Maria Hosmer Penniman Memorial Library of Education, Frank P. Graves (R), 674
Mead, Cyrus D., Measurements in Fairy Tale, 557
Measure Your Mind, M. R. Trabue and F. P. Stockbridge (R), 589
Measurements in Fairy Tale, C. D. Mead 557
Measuring Primary Teaching, 675
Mental Age, Classification of School Children according to, Rudolf Pintner and Helen Noble, 713
Mental Hygiene of Childhood (R), William A. White, 510
Mental Tests. *See* Tests
Monroe, Walter S., Effect of Grade Distribution upon Coefficient of Correlation, 776; Measure Your Mind (M. R. Trabue and F. P. Stockbridge) (R), 589; On Objectives in Reading (E), 765; Psychology of Musical Talent (C. E. Seashore) (R), 512; Some Correlations between Otis Scale and Rogers Mathematical Tests (N), 774

Monroe, Walter S. and Buckingham, B. R., Testing Program for Elementary Schools, 521
Morton, R. L., A Bright Boy (N), 865
Murdock, Katherine, Improvement in School Subjects throughout the School Year (N), 863
Musical Talent, Psychology of (R), C. E. Seashore, 512

National Association of Directors of Educational Research, 519, 598, 679, 871
New York City Penmanship Scale, Grade Norms for, E. A. Nifenecker, 808
Next Step after Testing (E), B. R. Buckingham, 855
Nifenecker, Eugene A., Grade Norms for the New York City Penmanship Scale, 808
Noble, Helen and Pintner, Rudolf, Classification of School Children according to Mental Age, 713
No Fairy Tale: The Need for Standardized Tests (N), C. W. Stone, 868

Odell, C. W., University, College and Normal School Courses in Educational Measurements (N), 772
On Objectives in Reading (E), W. S. Monroe, 765
Otis Group Intelligence Scale: Correlations between Rogers Mathematical Tests and (N), W. S. Monroe, 774; Correlations with (N), A. K. Loomis, 594; (N), H. C. Daley, 676
Overlapping in the Content of Fifteen Second Readers, Clifford Woody, 465

Packer, P. C. and others, Survey of Public School Building Requirements in Cleveland Heights, Ohio (R) (N. L. Engelhardt), 857
Pennsylvania Educational Congress, 771
Pintner, Rudolf, and Noble, Helen, Classification of School Children according to Mental Age, 713
Pressey, Luella W., Scale of Attainment No. I.—An Examination of Achievement in the Second Grade, 572
Probable Error, A Short Method of Determining (N), H. J. Baker, 592
Proctor, W. M., Use of Psychological Tests in the Vocational Guidance of High-School Pupils, 533
Project Method in Education (R), Mendel E. Branom, 769
Projects, Score Card for Judging, 675
Provisions for Individual Differences in the Teaching of Reading, W. W. Theisen, 560
Psychology of Musical Talent (R), C. E. Seashore, 512
Publicity Campaigns for Better School Support, Carter Alexander and W. W. Theisen, 457
Pupils: Classification of School Children according to Mental Age, Rudolf Pintner and Helen Noble, 713; Intelligence of Intermediate and High-School Pupils (N), H. C. Daley, 676; Use of Group Mental Tests in the Guidance of Eighth-Grade and High-School Pupils, V. E. Dickson, 601; Use of Psychological Tests in the Vocational Guidance of High-School Pupils, W. M. Proctor, 533

Readers, Overlapping in the Content of Fifteen Second Readers, Clifford Woody, 465
Reading: Formulation of Method in, H. A. Brown, 436; Provisions for Individual Differences in the Teaching of Reading, W. W. Theisen, 560; On Objectives in (E), W. S. Monroe, 765; Text-

books, Selection of Silent, Ernest Horn, 615
Report Cards, W. H. Hughes, 547
Research in Textbook Publishing (E), B. R. Buckingham, 670
Results of Three Types of Drill on the Fundamentals of Arithmetic, F. J. Kelly, 693
Richardson, J. W., Campaign Method in Elementary Education, 481
Rogers Mathematical Tests, Some Correlations between Otis Scale and (N), W. S. Monroe, 774
Rural Schools: Children and City-School Children, J. Crosby Chapman and H. L. Eby, 636; Study of, 860; Using Standardized Tests for Grading Purposes, Samuel S. Brooks, 729

Scale of Attainment No. I.—An Examination of Achievement in the Second Grade, L. W. Pressey, 572
School, Administration and School Reports (R), Paul H. Hanus, 674; Buildings, A Checking Schedule for (R), James Betelle, 858; Finance in Colorado and Certain Inferences of National Import, F. H. Swift, 647, 741; Statistics and Publicity (R), Carter Alexander, 859; Support, Publicity Campaigns for, Carter Alexander and W. W. Theisen, 457
Score Card, for Judging Home Projects, 675; for Rating Teachers, Raymond A. Kent, 802
Scores of a Group of Rural Teachers on Courtis Standard Supervisory Test in Geography (N), F. D. Cram, 515
Seashore, Carl E., Psychology of Musical Talent (R) (W. S. Monroe), 512
Selection of Silent Reading Textbooks, Ernest Horn, 615
Short Method of Determining Probable Error (N), H. J. Baker, 592
Sixth Conference on Educational Measurements (R) V. A. C. Henmon, 509
Size of Class and School Efficiency, 772
Social Games and Group Dances, J. C. Elson and Blanche M. Trilling (R), 860
Society for the Experimental Study of Education, 863
Some Correlations with the Otis Scale (N), A. K. Loomis, 594
Some Correlations between Otis Scale and Rogers Mathematical Tests (N), W. S. Monroe, 774
Some Results in Using Starch's Arithmetic Reasoning Test (N), C. D. Dawson, 677
Southern California Research Association, 513
South Dakota, Research Association, 675
Spelling Course, Curriculum Content of a High-School, A. G. Capps, 626
Split-Unit Program in High Schools, Thomas W. Gosling, 736
Standardizing Procedure in a Combination System of Supervised Study, Varying Scope of Work, and Weighted Credit, W. H. Hughes, 547
Starch's Arithmetic Reasoning Test, Some Results in Using (N), C. D. Dawson, 677
Stockbridge, Frank P. and Trabue, M. R., Measure Your Mind (R) (W. S. Monroe), 589
Stone, C. W., No Fairy Tale: The Need for Standardized Tests (N), 868
Study, of Ability in Latin in Secondary Schools (R), H. A. Brown, 508; of Rural Schools, 860
Substituting Small Numbers for Large Ones in the Computation of

Coefficients of Correlation, L. P. Ayres, 502
Suggestions for Procedure Following a Testing Program: *I. Reclassification*, B. R. Buckingham, 787
Superintendents' Conference, 771, 861
Supervised Study, W. H. Hughes, 547
Supervision of Testing in Ohio, 861
Survey of Public School Building Requirements in Cleveland Heights, Ohio, (R), P. C. Packer and others, 857
Surveys, Batteries of Tests for School, 514

Teachers, Getting the Teachers to Feel the Need for Standardized Tests, S. S. Brooks, 425; Rating of, Correlations with the Otis Scale (N), A. K. Loomis, 594; Rating Schemes, Raymond A. Kent, 802; Scores of a Group of Rural Teachers on the Courtis Supervisory Test in Geography (N), Fred D. Cram, 515; Shortage of (E), B. R. Buckingham, 582
